

REMARKS

The specification has been in order to correct grammatical and idiomatic errors contained therein. No new matter has been added.

In response to the rejection of Claim 9 under 35 USC 112, second paragraph, a typographical error contained therein has been corrected. That is, "Cu" has been properly changed to "Cr". No new matter has been added.

In order to expedite the prosecution of the present application, the subject matter of objected-to Claims 3, 5 and 6 have been represented as newly added Claims 13-15. Accordingly, Claims 1, 3, 5 and 6 have been canceled. The remaining claims have been amended in order to reflect the newly presented claims and the cancellation of Claims 1, 3, 5 and 6. No new matter has been added.

Since all of the currently pending claims contain subject matter indicated as being allowable by the Examiner, it is respectfully submitted that the present application now is in condition for allowance. If the Examiner feels that there are any outstanding matters left to be resolved in the present application, he is respectfully requested to contact the undersigned in order that they may be dealt with.

Respectfully submitted,

Terryence F. Chapman
